Prayer-meeting Wednesday at 7:30 o'clock. Everybody invited to attend.

PROTRACTED MEETING AT SOUTHERN CHURCH.

Large congregations have attended the services at the Southern Presbyterian Church all this week. The interest is increasing steadily.

Rev. J. Addison Smith, the eloquent evangelist, has been preaching able and searching sermons, which have held the undivided attention of the congregations.

The meetings will continue next week. Services afternoon and evening.

The church has been greatly revived and quite a number of additions have been made to the membership.

GOES INTO BANKRUPTCY.

We regret exceedingly to learn that Mr. Sam'l Rodde, who has been running the Bazaar Store, in this city, for the last two years, has been compelled to apply for a discharge as a bankrupt.

Recently Mr. Rodde lost his little boy, in whom his heart was wrapped up, and his grief at his loss produced ill health to such an extent that he was unable to give his business the attention required.
His many friends deeply sympathize with him in his double trouble.

NEW L. & N. DEPOT.

The contract has been let for the construction of the new L. & N. depot.

Mr. Spencer Cryer, of the Elk Hotel, has the contract at the price of \$31,000 for the principal part of the work.

The building is to be completed by the first of September.

Every one who lives here or who comes here on business will rejoice to learn that the new depot is assured.

COMMUNICATED.

Bagdad, Ky., Jan. 12, 1905.
Editor Roundabout:

Will you kindly allow me space to thank the friends of "Bellevue," who contributed flowers to the memory of my beloved uncle, Oscar Clark.

Also I want to thank the friends of Harvieland, who stood by him so faithfully, and lent such a helping hand in his last illness.

Respectfully,
NELLIE MILES.

Are You Tired, Nervous and Sleepless?

Nervousness and sleeplessness are usually due to the fact that the nerves are not fed on properly nourishing blood; they are starved nerves. Dr. Pierce's Golden Medical Discovery makes pure, rich blood, and thereby the nerves are properly nourished and all the organs of the body are run as smoothly as machinery which runs in oil. In this way you feel clean, strong and strenuous—you are toned up and invigorated, and you are good for a whole lot of physical or mental work. Best of all, the strength and increase in vitality and health are lasting. The trouble with most tonics and medicines which have a large, booming sale for a short time, is that they are largely composed of alcohol holding the drugs in solution. This alcohol shrinks up the red blood corpuscles, and in the long run greatly injures the system. One may feel exhilarated and better for the time being, yet in the end weakened and with vitality decreased. Dr. Pierce's Golden Medical Discovery contains no alcohol. Every bottle of it bears upon its wrapper *The Badge of Honesty*, in a full list of all its several ingredients. For the druggist to offer you something he claims is "just as good" is to insult your intelligence.

Every ingredient entering into the world-famed "Golden Medical Discovery" has the unanimous approval and endorsement of the leading medical authorities of all the several schools of practice. No other medicine sold through druggists for like purposes has any such endorsement.

The "Golden Medical Discovery" not only produces all the good effects to be obtained from the use of Golden Seal root, in all stomach, liver and bowel troubles, as in dyspepsia, biliousness, constipation, ulceration of stomach and bowels and kindred ailments, but the Golden Seal root used in its compounding is greatly enhanced in its curative action by other ingredients such as Stone root, Black Cherrybark, Bloodroot, Mandrake root and chemically pure triple-refined glycerine.

"The Common Sense Medical Adviser," is sent free in paper covers on receipt of 21 one-cent stamps to pay the cost of mailing only. For 31 stamps the cloth-bound volume will be sent. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets cure constipation, biliousness and headache.

NATURE'S ESSENCE

Extracted from the Roots of Native Forest Plants.
Go Straight Back to Nature for Your Health.
There is Your Strength.

Consider your body as an engine which supplies you with all activity of mind and body. Keep the machinery well oiled and it runs smoothly. It does not groan in doing its work. But let the stomach, which is the fire-box to the human engine, get "out of kilter" and we soon meet with disaster. The products of undigested and decomposing food is poison to the system.

We do not live on what we eat but on what we digest, assimilate, and take up in the blood. The blood in turn feeds the nerves, the heart, and the whole system, and all goes well with us if the blood be kept pure and rich. If not, then the liver, which is the human filter within us, gets clogged up and poisons accumulate in the body from over-eating, over-drinking, or hurriedly doing both. The *smash-up* occurs when the blood is poisoned by the stomach and liver being unable to take care of the *over-load*. The red flag of danger is thrown out in the shape of eruptions on the skin, or in nervousness and sleeplessness, the sufferer becoming blue, despondent and irritable, because the nerves lack nourishment and are starved.

Nature's laws are perfect if only we obey them, but disease follows disobedience. Go straight to Nature for the cure, to the forest; there are mysteries there, some of which we can fathom for you. Take the bark of the Wild-cherry tree, with Mandrake root, Stone root, Queen's root, Bloodroot and Golden Seal root, make a scientific, Glyceric extract of them, with just the right proportions, and you have Dr. Pierce's Golden Medical Discovery.

It took Dr. Pierce, with the assistance of two learned chemists and pharmacists, many months of hard work experimenting to perfect this vegetable alterative and tonic extract of the greatest efficiency. To make rich, red blood, to properly nourish the nerves and the whole body, and cure that lassitude and feeling of weakness and nerve exhaustion, take Dr. Pierce's Golden Medical Discovery. It bears the BADGE OF HONESTY upon every bottle in the full list of its ingredients, printed in plain English, and it has sold more largely in the past forty years than any other blood purifier and stomach tonic. The refreshing influence of this

ELECTROCUTED.

On Saturday evening a prisoner in the local penitentiary by the name of Wm. Davis, who was a trusty in the electrical department, was instantly killed by taking hold of a fallen wire in the prison yard, which was heavily charged with electricity.

It seems that the wire was a telephone wire and had come in contact with an electric wire somewhere in the city, and thus become charged with the deadly fluid.

Another prisoner, who attempted to pick Davis up, was stunned and rendered unconscious for about an hour.

Coroner L. S. Graham held an

extract is like Nature's influence—the blood is bathed in the invigorating tonic which gives life to it and the vital fires of the body burn brighter and their increased activity consumes the tissue rubbish which has accumulated in the system.

The "Discovery" cures all skin affections, blotches, pimples, eruptions and boils; heals old sores, or ulcers, "white swellings," scrofulous affections and kindred ailments.

The "Golden Medical Discovery" is just the tissue builder and tonic you require when recovering from a hard cold, grip, pneumonia or a long siege of fever or other prostrating disease. No matter how strong the constitution, our stomach and liver are apt to be "out of kilter" occasionally. In consequence our blood is disordered, for the stomach is the laboratory for the constant manufacture of blood.

It is a trite saying that no man is stronger than his stomach. Dr. Pierce's Golden Medical Discovery strengthens the stomach—puts it in shape to make pure, rich blood—helps the liver and kidneys to expel the poisons from the body and thus cures both liver and kidney troubles. If you take this natural blood purifier and tonic, you will assist your system in manufacturing each day a pint of rich, red blood, that is invigorating to the brain and nerves. The weak, nervous, run-down, debilitated condition which so many people suffer from, is usually the effect of poisons in the blood; it is often indicated by pimples or boils appearing on the skin, the face becomes thin and the feelings "blue." Dr. Pierce's "Discovery" cures all blood humors as well as being a tonic that makes one vigorous, strong and forceful. It is the only medicine put up for sale through druggists for like purposes that contains neither alcohol nor harmful drugs, and the only one, every ingredient of which has the professional endorsement of the leading medical writers of this country. Some of these endorsements are published in a little book of extracts from standard medical works and will be sent to any address free, on receipt of request therefor by letter or postal card, addressed to Dr. R. V. Pierce, Buffalo, N. Y. It tells just what Dr. Pierce's medicines are made of.

The "Words of Praise" for the several ingredients of which Dr. Pierce's medicines are composed, by leaders in all the several schools of medical practice, and recommending them for the cure of the diseases for which the "Golden Medical Discovery" is advised, should have far more weight with the sick and afflicted than any amount of the so-called "testimonials" so conspicuously flaunted before the public by those who are afraid to let the ingredients of which their medicines are composed be known. Bear in mind that the "Golden Medical Discovery" has the BADGE OF HONESTY on every bottle's wrapper, in a full list of its ingredients.

Dr. Pierce's Pleasant Pellets cure constipation, invigorate the liver and regulate stomach and bowels.

inquest and the remains of Davis were shipped to his wife, who lives in Louisville.

A pathetic feature of the affair was the fact that Davis had made an exceptionally good prisoner and his term would have expired in March.

"It was almost a miracle. Burdock Blood Bitters cured me of a terrible breaking out all over the body. I am very grateful." Miss Julia F. bridge, West Cornwall, Conn.
